Our Valued Customers

Client Testimonials

“ The ERP solution delivered by Bista fits our business requirements very well, and provides an agile and affordable yet powerful solution that supports the business efficiently. We are able to gain operational efficiency within our organization. This based solution has reduced our cost of ownership to levels more appropriate for a company of our size.

- Donald Kloppers, Vice President, Corporate Services - MineRP

“ The Best Part of ERPInCloud is that its Save's time and Efforts, We have realized increase in work place productivity, we are more organised, we have minimized risk of Data loss, we have peace of mind with 100% up time. We can say “ERPInCloud is Fantastic Real time Support” ownership to levels more appropriate for a company of our size.

- Kevin Lyver, CEO - Ward Beck System

“ It has been a great pleasure working with Bista Solutions. Their offshore Team was easily accessible throughout the development. Our problems have been resolved in a timely manner, and if needed, would use them again going forward.

- Johnson Tran, Implementation Manager - UMS

“ Bista's Team was very responsive and provided good cordial customer service. They spent around 4 to 6 months on site for understanding our Business. Their post launch service was excellent; they provided us support during California business hours.”

- Mr. Sayed Ali, President - Interpreters Unlimited Group

“ With NetSuite, we have visibility to track additional 2,75,000 USD worth of our inventory. Not just that, we can now slice and dice our report by 5 dimensions - location, entity, division, state/region, department. The entire NetSuite implementation was done by Bista in about 6 months, which is insane.

- Deanna Farnell, CFO / Controllor, Toni & Guy
